2018 NYSNLA Education Auction Donation Information

This year's NYSNLA Education Auction, *which supports the development and delivery of professional education programs for NYSNLA members and the ongoing growth and enhancement of the Certified Nursery Landscape Professional program*, will be held in conjunction with our annual dinner on Monday, December 3 at Revolution Hall in Troy. The evening will also feature the presentation of NYSNLA's 2018 Environmental Beautification Awards. *The value of any item donated to this auction, sponsored by the NYS Nurserymen's Foundation – a 501(c)3 charitable organization --is tax deductible for the donor.*

Auction donors will be recognized in the evening's printed program, in NYSNLA News and in *Nursery Lines* magazine. In order to ensure that you receive proper credit for your donation(s) and we have the best description for potential bidders, please fill out this form (one for each item), save it to your computer, then attach it to an email to info@nysnla.com. *All items for which forms are received by November 26 will be included in the printed program.*

If your donated item is a service, such as a weekend stay in a private cottage or a fishing trip, please provide information on how the winning bidder should redeem the item.
